3.2 Compound and Collective Nouns

You need to construct compound nouns from these words in the box below to fill the gaps in the sentences. Some of the words are used twice, but in a different order.

window	reading	seat	pub	day
phone	child	light	fishing	card
table	food	frame	work	boat

1. I want to put a _____ in the car as they say it really makes toddlers safe while driving
2. John was furious with the airline company. He sat on the plane for 14 hours and his _____ didn't work. He couldn't even finish that novel he was reading during the flight. He had to try and sleep
3. "What type of credit card is that?" "That's not a credit card. That's a _____. I use it once a week to call my mom back home in Canada.
4. All the _____ in the house have been repainted. Otherwise, they will rot over the winter and then we may not be able to open the windows in the spring.
5. English pubs have a terrible reputation, but the _____ is very tasty
6. I worked at night for so long that when I finally started to do some _____, I found it really strange.
7. A _____ sank off the Spanish coast last night. Both fisherman were saved by the coast guard
8. I know that Monday is a holiday for everyone else, but for us it's a normal _____. We have to get this project done by Wednesday!!
9. Why do you have a _____ in the middle of your lounge? I keep feeling tempted to go up to the bar and order drinks.
